The offer to sell these materials is contingent upon the Contractor completing and signing Teichert's Credit Application and Agreement, approval of Contractor's credit by Teichert's Credit Department, and acceptance of terms contained in this quotation. If Teichert elects not to sell these materials to the Contractor on a credit basis, Teichert may either: (1) cancel this quotation; or (2) sell to the Contractor on a cash delivery (COD) basis.

Import material shall consist of (but not limited to) clean (containing no hazardous materials, chemicals, organic materials, plastic, or rubber) concrete, asphalt, stone, stone counter tops, porcelain, brick, cement roof tile and general inert material. Not accepted at all plants. All loads subject to inspection.

All quoted prices are subject to change without notice until customer's order has been received and accepted in writing by Teichert. All quoted prices automatically expire 30 days after the date of the quotation unless customer's order has been received and accepted in writing by Teichert before that time. After Teichert accepts customer's order in writing, the agreed prices will remain fixed and valid unless Teichert's energy cost (cost for natural gas, propane, electricity) increase more than 10%. Asphalt Concrete quoted is subject to a price adjustment based on the current posted rack price for liquid asphalt as stated above. Teichert reserves the right to adjust the agreed price for all remaining deliveries in an amount sufficient to cover the increased cost of energy or liquid asphalt.
